Bobby Woody

SUMMARY

Motivated software developer with a strong foundation in front-end development using JavaScript, HTML, CSS, and various libraries and frameworks including React.js and Node.js. Experienced in freelancing and collaborating with clients to create responsive and user-friendly web solutions. A quick learner with a passion for exploring new technologies and methodologies to improve software development processes. Seeking opportunities to apply and expand my skills in a dynamic and collaborative team environment. Experience using libraries and frameworks such as React.js and Node.js

SKILLS

- Knowledge of version control tools such as Git
- Experience working collaboratively with clients to develop user-friendly and responsive web solutions.
- Proficient in front-end web development using JavaScript, HTML, and CSS.
- Familiarity with agile development methodologies
- Strong problem-solving and analytical skills
- Passion for learning and exploring new technologies and methodologies

IBI EXPERIENCE

Flobnb - Freelance Web Developer, flobnb.netlify.app @

- Created a travel website that allows users to book vacation rental homes for multiple destinations and display arcuate pricing.
- Automated cart items to storage user data into local storage, this minimized response time upon the next reload by an average of 5%.
- Implemented cart functionally with add, remove and clear cart, that made the user experience easier and pleasant.

Beats by Dre - Freelance Web Developer, beatspro.netlify.app @

- Developed an online store to sell Beats headphone with react router to navigate the site, this provides an efficient user experience.
- Created from scratch react components (navbar, footer & banner), this made the code reusable throughout the entire project and decrease the size of the project.

Reel Talent - Freelance Web Developer, reeltalent.us @

 Developed the entire site using React JS and Vite, resulting in a modern and efficient web application.

- Integrated Firestore to manage site data, including blogs, ensuring data consistency and scalability.
- Optimized the site for fast load times, resulting in an exceptional user experience and increased engagement.

EDUCATION

Fitchburg State University

Dec 2014 - Fitchburg, MA

Bachelor of Communications Media
